DNA-Protein Interaction Database

RRID:SCR_000754

Type: Tool

Proper Citation

DNA-Protein Interaction Database (RRID:SCR_000754)

Resource Information

URL: <http://www.dpidb.genebee.msu.ru/>

Proper Citation: DNA-Protein Interaction Database (RRID:SCR_000754)

Description: The database NPIDB (Nucleic acid Protein Interaction DataBase) contains information derived from structures of DNA-protein and RNA-protein complexes extracted from Protein Data Bank (PDB) (1932 complexes in the end of 2007). It is equipped with a web-interface and a set of tools for extracting biologically meaningful characteristics of complexes. They are committed to satisfy all potential database users in order to: 1. Provide an essential information on structural features of DNA-protein and RNA-protein interaction for the users who need to get acquainted with the problem. 2. Give an effective access to the reasonably structured information about all DNA-protein and RNA-protein complexes containing in PDB. 3. Allow all visitors a quick access to our own research.

Synonyms: NPIDB

Resource Type: data or information resource, database

Defining Citation: [PMID:17977883](#), [PMID:26656949](#)

Keywords: complex, data bank, dna, nucleic acid, protein, rna

Resource Name: DNA-Protein Interaction Database

Resource ID: SCR_000754

Alternate IDs: nif-0000-20838

Record Creation Time: 20220129T080203+0000

Record Last Update: 20260905T133112+0000

Ratings and Alerts

No rating or validation information has been found for DNA-Protein Interaction Database.

No alerts have been found for DNA-Protein Interaction Database.
