OMERO

RRID:SCR_002629

Type: Tool

Proper Citation

OMERO (RRID:SCR_002629)

Resource Information

URL: <http://www.openmicroscopy.org/site/products/omero>

Proper Citation: OMERO (RRID:SCR_002629)

Description: Client-server software for management, visualization, and analysis of biological microscopy images. OMERO handles images in a secure central repository where users can view, organize, analyze and share data from anywhere with internet access. Work with images from a desktop app (Windows, Mac or Linux), from the web or from 3rd party software.

Abbreviations: OMERO

Synonyms: OMERO - Open Microscopy Environment Remote Objects, Open Microscopy Environment Remote Objects, OME Remote Objects

Resource Type: data management software, data processing software, data visualization software, image analysis software, software application, software resource

Defining Citation: [PMID:22373911](#)

Keywords: light microscopy, electron microscopy, genotype, archiving, data repository, data sharing, image, metadata

Funding: BBSRC BB/G022585;
BBSRC BB/I000755;
BBSRC BB/G022577;
Jisc REXDAT03

Availability: Free, Available for download, Freely available

Resource Name: OMERO

Resource ID: SCR_002629

Alternate IDs: nlx_156069

License: GNU General Public License, Or through commercial license from Glencoe Software

Record Creation Time: 20220129T080214+0000

Record Last Update: 20260905T132451+0000

Ratings and Alerts

No rating or validation information has been found for OMERO.

No alerts have been found for OMERO.
