XNAT - The Extensible Neuroimaging Archive Toolkit

RRID:SCR_003048

Type: Tool

Proper Citation

XNAT - The Extensible Neuroimaging Archive Toolkit (RRID:SCR_003048)

Resource Information

URL: <http://www.xnat.org>

Proper Citation: XNAT - The Extensible Neuroimaging Archive Toolkit (RRID:SCR_003048)

Description: Software platform designed to facilitate common management and productivity tasks for neuroimaging and associated data.

Abbreviations: XNAT

Synonyms: Extensible Neuroimaging Archive Toolkit, Extensible Neuroimaging Archive Toolkit (XNAT)

Resource Type: data management software, data processing software, software application, software resource, source code

Defining Citation: [PMID:17426351](#)

Keywords: analyze, client application, collaboration, data archive, data management, data sharing, data store, informatics, metadata, middleware, middleware engine, neuroinformatics, open source, productivity task, quality control, sharing, software platform, user interface, workflow, xml schema, neuroimaging, mri, processing, image, clinical, dicom, anonymization, clinical assessment, application, ct, database application, eeg, meg, ecog, java, magnetic resonance, nifti-1, os independent, pet, spect, platform, web environment, FASEB list

Funding: NIBIB R01 EB009352;
NIBIB U54 EB005149

Availability: Free, Available for download, Freely available

Resource Name: XNAT - The Extensible Neuroimaging Archive Toolkit

Resource ID: SCR_003048

Alternate IDs: nif-0000-00531

Alternate URLs: <http://www.nitrc.org/projects/xnat>, <https://sources.debian.org/src/xnat/>

License: BSD License

License URLs: <Http://www.xnat.org/about/license.php>

Record Creation Time: 20220129T080216+0000

Record Last Update: 20260905T132457+0000

Ratings and Alerts

No rating or validation information has been found for XNAT - The Extensible Neuroimaging Archive Toolkit.

No alerts have been found for XNAT - The Extensible Neuroimaging Archive Toolkit.
