GeneFisher

RRID:SCR_003060

Type: Tool

Proper Citation

GeneFisher (RRID:SCR_003060)

Resource Information

URL: <http://bibiserv.techfak.uni-bielefeld.de/genefisher2/>

Proper Citation: GeneFisher (RRID:SCR_003060)

Description: A web-based program for designing degenerate primers. The procedure leads to isolation of genes in a target organism using multiple alignments of related genes from different organisms. The term gene fishing refers to the technique where PCR is used to isolate a postulated but unknown target sequence from a pool of DNA.

Abbreviations: GeneFisher, GeneFisher2

Synonyms: GeneFisher2 - Interactive PCR Primer Design

Resource Type: analysis service resource, data analysis service, production service resource, service resource

Defining Citation: [PMID:8877506](#)

Keywords: primer design, gene, degenerate primer, degenerate, primer, bio.tools

Availability: Free, Freely available

Resource Name: GeneFisher

Resource ID: SCR_003060

Alternate IDs: biotools:genefisher, OMICS_02341

Alternate URLs: <https://bio.tools/genefisher>

Record Creation Time: 20220129T080216+0000

Record Last Update: 20260905T133119+0000

Ratings and Alerts

No rating or validation information has been found for GeneFisher.

No alerts have been found for GeneFisher.
