### Resource Information

**URL:** <http://neuroscience.med.cornell.edu/>

**Proper Citation:** Cornell University Neuroscience (RRID:SCR\_003324)

**Description:** The Weill Medical College of Cornell University has a long tradition of neuroscience research. The faculty is large, and the research programs tackle the fundamental questions in the field at all levels - from genes to cells to systems to behavior. The neuroscience community at Weill Cornell spans two campuses. The main one, containing the medical school and associated hospitals, is located on the upper east side of Manhattan, adjacent to Rockefeller University and across the street from the Memorial Sloan-Kettering Cancer Center. The second campus, with the rapidly growing Burke-Cornell Research Institute, is located in White Plains. The following graduate programs are offered: Neuroscience PhD, Tri-Institutional MD-PhD, Physiology and Biophysics, and Tri-Institutional Graduate program in Computational Biology and Medicine.

**Synonyms:** Neuroscience at Weill Cornell, Weill Medical College Neuroscience

**Resource Type:** data or information resource, department portal, organization portal, portal

**Resource Name:** Cornell University Neuroscience

**Resource ID:** SCR\_003324

**Alternate IDs:** nif-0000-01918

**Record Creation Time:** 20220129T080218+0000

**Record Last Update:** 20260905T132501+0000
