Proper Citation: Lions Eye Institute for Transplant and Research (RRID:SCR_004008)

Description: A nonprofit ocular research center with the largest eye bank in the world that provides eye tissue for research and transplantation to ophthalmic specialists and surgeons nationwide. They empower researchers to conduct real-time studies of healthy and diseased ocular tissue leading to a greater understanding of the events that lead to blindness. Their mission is to improve visual outcomes and quality of life for those who are blind or visually impaired through innovative ocular endeavors.
