Parkinson's Disease Mouse Model Resource

RRID:SCR_004142

Type: Tool

Proper Citation

Parkinson's Disease Mouse Model Resource (RRID:SCR_004142)

Resource Information

URL: <https://www.jax.org/research-and-faculty/tools/parkinsons-resource>

Proper Citation: Parkinson's Disease Mouse Model Resource (RRID:SCR_004142)

Description: The Parkinson's Disease Mouse Model Resource (PDMMR) is funded by the Michael J Fox Foundation to provide genetically engineered mice and information useful for their selection and use. The resource also serves as an archive of genetically stable mouse models. The Repository distributes Parkinson's disease models that are useful for the study of the basic pathophysiology of PD, and for testing new therapies. Also available are research tool strains including transgenics that express marker genes in affected brain regions, and strains with systems for regulating gene expression (e.g. Cre recombinase and tet-inducible promoters) in specific types of neurons.

Abbreviations: PDMMR

Resource Type: biomaterial supply resource, material resource

Funding: The Michael J. Fox Foundation for Parkinsons Research

Resource Name: Parkinson's Disease Mouse Model Resource

Resource ID: SCR_004142

Alternate IDs: nlx_16393

Old URLs: <http://research.jax.org/repository/parkinsons.html>

Record Creation Time: 20220129T080223+0000

Record Last Update: 20260905T133232+0000

Ratings and Alerts

No rating or validation information has been found for Parkinson's Disease Mouse Model Resource.

No alerts have been found for Parkinson's Disease Mouse Model Resource.
