NeuroMatic

RRID:SCR_004186

Type: Tool

Proper Citation

NeuroMatic (RRID:SCR_004186)

Resource Information

URL: <http://www.neuromatic.thinkrandom.com/>

Proper Citation: NeuroMatic (RRID:SCR_004186)

Description: NeuroMatic is a collection of Igor Pro functions for analyzing electrophysiological data. By allowing users to organize their data into Sets and Groups, NeuroMatic makes it relatively easy to compute transformations and statistical analyses on their data, including scaling, alignment averaging, baseline subtraction, spike detection, stationarity analysis, rise-time computations, etc. Being open source and modular designed, NeuroMatic also allows users to develop their own analysis functions that can be easily incorporated into NeuroMatic's framework. Note, if you have reached this page in search of a freeware tool for neuronal reconstructions, you are more likely to be interested in Neuromantic, a software package that sounds like NeuroMatic, but is not quite the same. Features of NeuroMatic Include * Sorting, Scaling, Averaging, Interpolation * Max / Min / Mean / Level / Rise Time / FWHM / Slope Measurements * Stability / Stationarity Analysis * Event Detection * Waveform Template Matching * Spike Raster Plots * Interspike-Interval and Peri-Stimulus Time (PST) Histograms * Compact Easy-to-Use Interface * Modular design as a basis for your own procedures * Extra space for your own buttons and controls * Import functions for Axograph and Pclamp data * Automatic macro generation for batch processing Supporting Agencies: MRC, Wellcome Trust Spike, Event, Fit, NClamp, Acquisition, spike train, EPSP, IPSP, IPSC, EPSC

Synonyms: NeuroMatic

Resource Type: data analysis software, data processing software, software application, software resource

Defining Citation: [PMID:29670519](#)

Keywords: epsc, epsp, event, fit, acquisition, data management, ipsc, ipsp, nclamp, software, spike, spike train, bio.tools

Resource Name: NeuroMatic

Resource ID: SCR_004186

Alternate IDs: nif-0000-00073, biotools:neuromatic

Alternate URLs: <https://bio.tools/neuromatic>

Record Creation Time: 20220129T080223+0000

Record Last Update: 20260905T132516+0000

Ratings and Alerts

No rating or validation information has been found for NeuroMatic.

No alerts have been found for NeuroMatic.
