Description: Certified by the federal government, LifePoint is the designated Organ Procurement Organization (OPO) for organ recovery services in South Carolina, excepting Aiken and Edgefield counties. LifePoint actively provides organ, tissue and ocular donor services to 62 hospitals throughout the state. We offer professional education about donation to the hospital staff members in order to maximize the amount and quality of donated organs and tissues. LifePoint also helps support and educate families at an emotionally devastating time, so they can make well-informed decisions about organ and tissue donation. Whether they decide for or against donation, our aim is to assure that they will feel they have made the right decision in the months and years to come.
