Description: Donor Network of Arizona is the federally designated, not-for-profit, organ procurement organization for the state of Arizona and a tissue and eye recovery organization. DNA serves five organ transplant centers in Arizona with the combined capacity to perform heart, lung, kidney, pancreas and liver transplants. * Our Mission: We make the most of life through the gift of organ and tissue donation. * Our Vision: We challenge ourselves and others everyday to realize Arizona's potential to save and improve lives. DNA shares organs regionally and nationally through the United Network for Organ Sharing's (UNOS) national network. DNA is accredited by the Association of Organ Procurement Organization, American Association of Tissue Banks and the Eye Bank Association of America.
