Proper Citation: State of Florida Alzheimer's Disease Initiative (RRID:SCR_004942)

Description: A program that provides services to meet the needs of individuals with Alzheimer's disease, and similar memory disorders, and their families. The Alzheimer's Disease Initiative (ADI) of Florida provides caregiver respite services and support which include in-home, facility-based, emergency, and extended care for caregivers who serve patients with memory disorders. Additionally, the ADI includes services provided by Memory Disorder Clinics (MDCs).
