Description: LifeLink Foundation is a non-profit community service organization dedicated to the recovery of life-saving and life-enhancing organs and tissue for transplantation therapy. The Foundation works in a sensitive, diligent, and compassionate manner to facilitate the donation of desperately needed organs and tissues for waiting patients, support research efforts to enhance the available supply of organs and tissue for transplant patients, improve clinical outcomes of patients post transplantation and works closely with the United Network For Organ Sharing (UNOS) to support its goals. We are committed to inspiring the public to save lives through organ donation. To make organ transplant a reality, LifeLink Foundation focuses its attention in a number of areas: Immunology Laboratory, Public Education, Fundraising, Organ Recovery.
