## UC Davis Biorepository

RRID:SCR\_005000

Type: Tool

### Proper Citation

UC Davis Biorepository (RRID:SCR\_005000)

### Resource Information

**URL:** <http://www.ucdmc.ucdavis.edu/cancer/research/sharedresources/specimen.html>

**Proper Citation:** UC Davis Biorepository (RRID:SCR\_005000)

**Description:** The mission of the Cancer Center Biorespository is to provide high quality, well-characterized cancer-related human tissue specimens and biological materials to collaborators. The specific objectives of the shared resource are: \* The procurement, preparation, and preservation of malignant, benign, and normal human specimens in a centralized repository \* To provide high quality annotated data (pathological and clinical) using a secure and interactive database system \* To facilitate compliance with all mandated regulatory processes (IRB, HIPAA, SRC) thereby promoting ethical research by UC Davis researchers \* To provide pathologic consultation to investigators using human specimens for scientific correlation \* To efficiently prioritize, disperse, and track specimens via a rapid and standardized approval and monitoring process \* To provide TMA consultation and services for cancer center investigators and their collaborators

**Abbreviations:** UC Davis Biorespository

**Synonyms:** UC Davis Cancer Center Biorespository

**Resource Type:** biomaterial supply resource, material resource, tissue bank

**Resource Name:** UC Davis Biorepository

**Resource ID:** SCR\_005000

**Alternate IDs:** nlx\_95804

**Record Creation Time:** 20220129T080227+0000

**Record Last Update:** 20260905T133127+0000

### Ratings and Alerts

No rating or validation information has been found for UC Davis Biorepository.

No alerts have been found for UC Davis Biorepository.
