Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on February 25, 2022. NOTE: Blogs hosted on Nature Network have now moved to new homes in the Nature Publishing Group network of blogs. We've made these changes so that our bloggers can take advantage of improvements in blogging technology, and so that we can offer a better service to our colleagues and those who choose to blog with us. We are no longer hosting blogs on Nature Network itself. Nature Network Blogs are blogs posted by members of Nature Network, the professional networking website for scientists around the world. All features on Nature Network are completely free. All you need to do is create a profile.
