MethylViewer

RRID:SCR_005448

Type: Tool

Proper Citation

MethylViewer (RRID:SCR_005448)

Resource Information

URL: <http://dna.leeds.ac.uk/methylviewer/>

Proper Citation: MethylViewer (RRID:SCR_005448)

Description: A simple integrated software tool for handling MAP (methyltransferase accessibility protocol) and MAP-IT (MAP individual templates) footprinting projects. It can process sequence data (*.txt, *.ab1 and *.scf) derived from the use of up to four different DNA methyltransferases.

Abbreviations: MethylViewer

Resource Type: software resource

Defining Citation: [PMID:20959287](#)

Keywords: primer design, bisulfite sequencing, bio.tools

Resource Name: MethylViewer

Resource ID: SCR_005448

Alternate IDs: OMICS_00608, biotools:methylviewer

Alternate URLs: <https://bio.tools/methylviewer>

Record Creation Time: 20220129T080230+0000

Record Last Update: 20260905T132535+0000

Ratings and Alerts

No rating or validation information has been found for MethylViewer.

No alerts have been found for MethylViewer.
