eQuilibrator

RRID:SCR_006011

Type: Tool

Proper Citation

eQuilibrator (RRID:SCR_006011)

Resource Information

URL: <http://equilibrator.weizmann.ac.il/>

Proper Citation: eQuilibrator (RRID:SCR_006011)

Description: Web interface designed for thermodynamic analysis of biochemical systems. eQuilibrator enables free-text search for biochemical compounds and reactions and provides thermodynamic estimates for both in a variety of conditions. It can provide estimates for compounds in the KEGG database, and individual compounds and enzymes can be searched for by their common names (water, glucosamine, hexokinase). Reactions can be entered in a free-text format that eQuilibrator parses automatically. eQuilibrator also allows manipulation of the conditions of a reaction - pH, ionic strength, and reactant and product concentrations.

Synonyms: eQuilibrator - biochemical thermodynamics calculator

Resource Type: data or information resource, database, software resource, web application

Defining Citation: [PMID:22064852](#)

Keywords: web interface, thermodynamics, biochemical system, bio.tools, FASEB list

Funding: Azrieli Foundation ;
Israel Academy of Sciences and Humanities ;
European Research Council 260392 - SYMPAC

Availability: Open source

Resource Name: eQuilibrator

Resource ID: SCR_006011

Alternate IDs: nlx_151400, biotools:equilibrator

Alternate URLs: <https://bio.tools/equilibrator>

Record Creation Time: 20220129T080233+0000

Record Last Update: 20260905T132545+0000

Ratings and Alerts

No rating or validation information has been found for eQuilibrator.

No alerts have been found for eQuilibrator.
