PANOGA

RRID:SCR_006242

Type: Tool

Proper Citation

PANOGA (RRID:SCR_006242)

Resource Information

URL: <http://panoga.sabanciuniv.edu/>

Proper Citation: PANOGA (RRID:SCR_006242)

Description: A web server to devise functionally important pathways through the identification of single nucleotide polymorphism (SNP)-targeted genes within these pathways. The strength of the methodology stems from its multidimensional perspective, where evidence from the following five resources is combined: (i) genetic association information obtained through GWAS, (ii) SNP functional information, (iii) protein-protein interaction network, (iv) linkage disequilibrium and (v) biochemical pathways.

Abbreviations: PANOGA

Synonyms: Pathway and Network-Oriented GWAS Analysis, Pathway and Network Oriented GWAS (Genome-Wide Association Study) Analysis, Pathway and Network Oriented GWAS Analysis

Resource Type: analysis service resource, data analysis service, production service resource, service resource

Defining Citation: [PMID:24413675](#)

Keywords: single nucleotide polymorphism, genome-wide association study, pathway, function, gene, genetic association, protein-protein interaction network, linkage disequilibrium, protein-protein interaction

Availability: Free, Public, Free for academic use, (source code upon request)

Resource Name: PANOGA

Resource ID: SCR_006242

Alternate IDs: OMICS_02238

Record Creation Time: 20220129T080235+0000

Record Last Update: 20260905T133134+0000

Ratings and Alerts

No rating or validation information has been found for PANOGA.

No alerts have been found for PANOGA.
