Resource Information

URL: <http://www.alzforum.org/>

Proper Citation: Alzheimer's Research Forum (RRID:SCR_006416)

Description: A community building portal dedicated to understanding Alzheimer's disease and related disorders, it reports on the latest scientific findings from basic research to clinical trials, creates and maintains public databases of essential research data and reagents, and produces discussion forums to promote debate, speed the dissemination of new ideas, and break down barriers across disciplines.

Abbreviations: ALZForum, ARF

Resource Type: community building portal, data or information resource, discussion, disease-related portal, narrative resource, portal, topical portal

Keywords: alzheimer's disease, human, mouse, community building portal, forum, FASEB list

Related Condition: Alzheimer's disease

Funding: grants ;
individual donations

Availability: Free, Acknowledgement requested

Resource Name: Alzheimer's Research Forum

Resource ID: SCR_006416

Alternate IDs: nif-0000-00095

License URLs: <http://www.alzforum.org/terms-of-use>
