NODDI Matlab Toolbox

RRID:SCR_006826

Type: Tool

Proper Citation

NODDI Matlab Toolbox (RRID:SCR_006826)

Resource Information

URL: <http://cmic.cs.ucl.ac.uk/mig/index.php?n=Tutorial.NODDI matlab>

Proper Citation: NODDI Matlab Toolbox (RRID:SCR_006826)

Description: This MATLAB toolbox implements a data fitting routine for Neurite Orientation Dispersion and Density Imaging (NODDI). NODDI is a new diffusion MRI technique for imaging brain tissue microstructure. Compared to DTI, it has the advantage of providing measures of tissue microstructure that are much more direct and hence more specific. It achieves this by adopting the model-based strategy which relates the signals from diffusion MRI to geometric models of tissue microstructure. In contrast to typical model-based techniques, NODDI is much more clinically feasible and can be acquired on standard MR scanners with an imaging time comparable to DTI.

Abbreviations: NODDI Matlab Toolbox

Resource Type: software resource, software toolkit

Keywords: analyze, matlab, magnetic resonance, nifti, os independent, neurite orientation dispersion and density imaging, diffusion mri

Availability: Artistic License

Resource Name: NODDI Matlab Toolbox

Resource ID: SCR_006826

Alternate IDs: nlx_155892

Alternate URLs: http://www.nitrc.org/projects/noddi_toolbox

Record Creation Time: 20220129T080238+0000

Record Last Update: 20260905T133237+0000

Ratings and Alerts

No rating or validation information has been found for NODDI Matlab Toolbox.

No alerts have been found for NODDI Matlab Toolbox.
