GeneCodis

RRID:SCR_006943

Type: Tool

Proper Citation

GeneCodis (RRID:SCR_006943)

Resource Information

URL: <http://genecodis.cnb.csic.es/>

Proper Citation: GeneCodis (RRID:SCR_006943)

Description: Web-based tool for the ontological analysis of large lists of genes. It can be used to determine biological annotations or combinations of annotations that are significantly associated to a list of genes under study with respect to a reference list. As well as single annotations, this tool allows users to simultaneously evaluate annotations from different sources, for example Biological Process and Cellular Component categories of Gene Ontology., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Abbreviations: GeneCodis

Synonyms: Gene annotations co-occurrence discovery, GeneCodis - Gene annotations co-occurrence discovery

Resource Type: analysis service resource, data access protocol, data analysis service, production service resource, service resource, software resource, web service

Defining Citation: [PMID:22573175](#), [PMID:19465387](#), [PMID:17204154](#)

Keywords: functional analysis, gene, annotation, statistical analysis, functional genomics, bio.tools

Funding: Juan de la Cierva research program ;
Spanish Minister of Science and Innovation BIO2010-17527;
Government of Madrid P2010/BMD-2305

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: GeneCodis

Resource ID: SCR_006943

Alternate IDs: OMICS_02221, biotools:genecodis3, nlx_149254

Alternate URLs: <https://bio.tools/genecodis3>

Record Creation Time: 20220129T080239+0000

Record Last Update: 20260905T133000+0000

Ratings and Alerts

No rating or validation information has been found for GeneCodis.

No alerts have been found for GeneCodis.
