SNP at Ethnos

RRID:SCR_007940

Type: Tool

Proper Citation

SNP at Ethnos (RRID:SCR_007940)

Resource Information

URL: <http://bioportal.kobic.re.kr/SNPatETHNIC/>

Proper Citation: SNP at Ethnos (RRID:SCR_007940)

Description: SNP at Ethnos is a catalog of human SNPs and genes that contain human ethnic variation. The database contains the following results for detecting natural selection and population difference: * Neareast Shrunken Centroid Method Score for detecting ethnic difference * Fst * Hudson, Kreitman and Aguade (HKA) test (1987) * Tajima's D test (1989) * Fu and Li D test (1993) It also contains copious links to dbSNP, Entrez Gene, GeneCards, OMIM, HGMD, International HapMap SNP at domain, and Haplotter (EHH). You can search by entering a gene symbol or an rs number in the text box at Data Search page. Search results provide above selection analysis data, rs lists corresponding a searched gene, and a genome viewer which contains functional annotation. The data underlying these analyses are from the Phase I HapMap Project.

Abbreviations: SNP(at)Ethnos

Synonyms: SNP (at) Ethnos, SNPatEthnos

Resource Type: data or information resource, database

Defining Citation: [PMID:17135185](#)

Keywords: ethnic variation, snp, gene, ethnically variant single-nucleotide polymorphism, single-nucleotide polymorphism, human differentiation, ethnicity, genetic variation

Funding: Ministry of Information and Communication of Korea ;
Korean Ministry of Science and Technology M10407010001-04N0701-00110;
National Research Laboratory; Seoul; Korea 2005-01450

Availability: Public

Resource Name: SNP at Ethnos

Resource ID: SCR_007940

Alternate IDs: nif-0000-03477

Record Creation Time: 20220129T080244+0000

Record Last Update: 20260905T133148+0000

Ratings and Alerts

No rating or validation information has been found for SNP at Ethnos.

No alerts have been found for SNP at Ethnos.
