Bioinformatic Harvester IV (beta) at Karlsruhe Institute of Technology

RRID:SCR_008017

Type: Tool

Proper Citation

Bioinformatic Harvester IV (beta) at Karlsruhe Institute of Technology
(RRID:SCR_008017)

Resource Information

URL: <http://harvester.fzk.de/harvester/>

Proper Citation: Bioinformatic Harvester IV (beta) at Karlsruhe Institute of Technology
(RRID:SCR_008017)

Description: Harvester is a Web-based tool that bulk-collects bioinformatic data on human proteins from various databases and prediction servers. It is a meta search engine for gene and protein information. It searches 16 major databases and prediction servers and combines the results on pregenerated HTML pages. In this way Harvester can provide comprehensive gene-protein information from different servers in a convenient and fast manner. As full text meta search engine, similar to Google trade mark, Harvester allows screening of the whole genome proteome for current protein functions and predictions in a few seconds. With Harvester it is now possible to compare and check the quality of different database entries and prediction algorithms on a single page. Sponsors: This work has been supported by the BMBF with grants 01GR0101 and 01KW0013.

Synonyms: Harvester IV

Resource Type: data acquisition software, data or information resource, data processing software, database, software application, software resource

Keywords: function, gene, bioinformatics, data, database, human, meta search engine, prediction, protein, bio.tools, FASEB list

Resource Name: Bioinformatic Harvester IV (beta) at Karlsruhe Institute of Technology

Resource ID: SCR_008017

Alternate IDs: biotools:harvester, nif-0000-10169

Alternate URLs: <https://bio.tools/harvester>

Record Creation Time: 20220129T080245+0000

Record Last Update: 20260905T133001+0000

Ratings and Alerts

No rating or validation information has been found for Bioinformatic Harvester IV (beta) at Karlsruhe Institute of Technology.

No alerts have been found for Bioinformatic Harvester IV (beta) at Karlsruhe Institute of Technology.
