Proper Citation: Cure Parkinson's Trust (RRID:SCR_008095)

Description: A patient led charity that funds research which will have an impact on the lives of people with Parkinson's, with the hope of an eventual cure for the condition. The Cure Parkinson's Trust has the clear goal of finding a cure for Parkinson's disease by investing in under resourced and underfunded projects that offer a possible cure in the future. This trust's primary role is identifying, funding and evaluating research projects, as well as hosting scientific forums to bring together relevant scientists within the field to discuss key areas of research and technology. Cure Parkinson's provides researchers with information on current research, research events, and the ability to apply for grants through the Cure Parkinson's Trust.
