Proper Citation: AGRICOLA (RRID:SCR_008158)

Description: A database, catalog and index to the collections of the National Agricultural Library, as well as a primary public source for world-wide access to agricultural information. This database resource covers materials in all formats and periods, including printed works from as far back as the 15th century. AGRICOLA is a bibliographic database of citations to the agricultural literature created by the National Agricultural Library and its cooperators. The records describe publications and resources encompassing all aspects of agriculture and allied disciplines, including animal and veterinary sciences, entomology, plant sciences, forestry, aquaculture and fisheries, farming and farming systems, agricultural economics, extension and education, food and human nutrition, and earth and environmental sciences. Although the NAL Catalog (AGRICOLA) does not contain the text of the materials it cites, thousands of its records are linked to full-text documents online, with new links added daily. The NAL Catalog (AGRICOLA) is organized into two bibliographic data sets: *The NAL Online Public Access Catalog (AGRICOLA NAL) contains citations to books, audiovisuals, serials, and other materials, most of which are in the Library's collection. (The Catalog does contain some records for items not held at NAL.) *The Article Citation Database (AGRICOLA IND) includes citations, many with abstracts, to journal articles (see Journals Indexed in AGRICOLA), book chapters, reports, and reprints, selected primarily from the materials found in the NAL Catalog.

Abbreviations: AGRICOLA, AGRICOLA NAL, AGRICOLA IND

Synonyms: National Agricultural Library Catalog AGRICultural OnLine Access, AGRICultural OnLine Access, AGRICOLA: AGRICultural OnLine Access, NAL Catalog (AGRICOLA), National Agricultural Library Catalog (AGRICOLA), NAL Catalog AGRICultural OnLine Access, AGRICOLA NAL, AGRICOLA IND

Resource Type: data or information resource, database

Keywords: earth, economic, education, entomology, environmental, extension, farming, fishery, food, forestry, agricultural, agriculture, animal, aquaculture, human, nutrition, plant, science, system farm, veterinary, book, serial, audiovisual, FASEB list

Resource Name: AGRICOLA

Resource ID: SCR_008158

Alternate IDs: nif-0000-21011

Record Creation Time: 20220129T080245+0000

Record Last Update: 20260905T133150+0000

Ratings and Alerts

No rating or validation information has been found for AGRICOLA.

No alerts have been found for AGRICOLA.
