Bioserve Global BioRepository

RRID:SCR_008713

Type: Tool

Proper Citation

Bioserve Global BioRepository (RRID:SCR_008713)

Resource Information

URL: <http://www.bioserve.com/>

Proper Citation: Bioserve Global BioRepository (RRID:SCR_008713)

Description: A biomaterial supply resource containing over 600,000 samples of human tissue, serum, DNA, and RNA. Samples are handled consistently according to validated protocols and each tissue sample comes with detailed demographic information, gold standard clinical diagnostic information, complete drug history, full pathology reports, and complete phenotypic data.

Synonyms: BioServe, BioServe Human Samples

Resource Type: biomaterial supply resource, material resource

Keywords: biomaterial supply resource, human tissue, human serum, human DNA, human RNA

Availability: Available for purchase, Available for the research and education community, Available for commercial use

Resource Name: Bioserve Global BioRepository

Resource ID: SCR_008713

Alternate IDs: nlx_12720

Record Creation Time: 20220129T080248+0000

Record Last Update: 20260905T133240+0000

Ratings and Alerts

No rating or validation information has been found for Bioserve Global BioRepository.

No alerts have been found for Bioserve Global BioRepository.
