Connectome Viewer

RRID:SCR_009552

Type: Tool

Proper Citation

Connectome Viewer (RRID:SCR_009552)

Resource Information

URL: <http://www.connectomeviewer.org/viewer/>

Proper Citation: Connectome Viewer (RRID:SCR_009552)

Description: A free, open source, cross-platform Python-based software application for visualization and analysis in connectome research. Features of the software include: Connectome File Format including metadata, networks, surfaces, volumes, track files; complex network analysis toolboxes; modular plugin architecture for extensibility; Mayavi2 for 3D Scientific Visualization and Plotting; interactive data manipulation and scripting capabilities; and Neuroimaging and Diffusion in Python libraries.

Abbreviations: Connectome Viewer

Resource Type: data analysis software, data processing software, data visualization software, software application, software resource, software toolkit

Defining Citation: [PMID:21713110](#)

Keywords: animation, atlas application, c++, format conversion, gifti, image display, linux, macos, microsoft, magnetic resonance, nifti, posix/unix-like, python, rendering, software, surface rendering, three dimensional display, tractography, two dimensional display, visualization, volume rendering, win32 (ms windows), windows, connectome, connectomics, data management, multi-modal data, network analysis, neuroimaging

Availability: Open Source

Resource Name: Connectome Viewer

Resource ID: SCR_009552

Alternate IDs: nlx_155732

Alternate URLs: <http://www.nitrc.org/projects/cviewer>

License: GNU General Public License

Record Creation Time: 20220129T080253+0000

Record Last Update: 20260905T132634+0000

Ratings and Alerts

No rating or validation information has been found for Connectome Viewer.

No alerts have been found for Connectome Viewer.
