UC Davis Alzheimers Disease Center - Resources (RRID:SCR_010699)

Resource Information

URL: <http://alzheimer.ucdavis.edu/research/resources.php#tissue>

Proper Citation: UC Davis Alzheimers Disease Center - Resources (RRID:SCR_010699)

Description: THIS RESOURCE IS NO LONGER IN SERVICE, documented August 22, 2016. Support research in Alzheimer's disease (AD) offering pilot grants, recruitment of research subjects, access to database, tissue samples, and statistical and research study design consultation for investigators. The scientific effort of the program seeks to: promote research directed at understanding factors that influence the expression and progression of Alzheimer's disease; develop and maintain cohorts of carefully diagnosed and well characterized research subjects available for research studies on Alzheimer's disease and dementia; provide support to investigators in subject recruitment, clinical research, experimental design, and statistical analysis of data; and maintain a variety of samples (brain, DNA, serum) and an extensive electronic database suitable for developing new research and supporting existing programs.

Abbreviations: UCD ADC Resources

Synonyms: University of California Davis Alzheimer's Disease Center - Resources

Resource Type: biomaterial supply resource, brain bank, material resource, tissue bank

Keywords: brain, dna, serum, brain tissue, tissue

Related Condition: Alzheimer's disease, Aging

Funding: State of California's Department of Public Health ;
Martinez Veterans Health Administration ;
NIA

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: UC Davis Alzheimers Disease Center - Resources

Resource ID: SCR_010699

Alternate IDs: nlx_82710
