University of Southern California School of Pharmacy Lentiviral Laboratory Core Facility

RRID:SCR_011036

Type: Tool

Proper Citation

University of Southern California School of Pharmacy Lentiviral Laboratory Core Facility (RRID:SCR_011036)

Resource Information

URL: <https://mann.usc.edu/core-facilities/lentiviral-lab/>

Proper Citation: University of Southern California School of Pharmacy Lentiviral Laboratory Core Facility (RRID:SCR_011036)

Description: USC School of Pharmacy Lentiviral Laboratory, located on the second floor of the Pharmaceutical Sciences Center, provides services for production of small-scale lentiviral stocks containing the gene of interest, lentiviral titrations, concentrations and transductions of cells of interest. We also construct individual lentiviral vectors including sub-cloning of the gene of interest into a pLVX-puro lentiviral vector.

Abbreviations: USC School of Pharmacy Lentiviral Laboratory

Synonyms: University of Southern California School of Pharmacy Lentiviral Laboratory

Resource Type: access service resource, core facility, service resource

Resource Name: University of Southern California School of Pharmacy Lentiviral Laboratory Core Facility

Resource ID: SCR_011036

Alternate IDs: ABRF_2740, SciEx_9678

Alternate URLs: <https://coremarketplace.org/?FacilityID=2740&citation=1>

Old URLs: <http://www.scienceexchange.com/facilities/the-lentiviral-laboratory-usc>

Record Creation Time: 20220129T080302+0000

Record Last Update: 20260905T133345+0000

Ratings and Alerts

No rating or validation information has been found for University of Southern California School of Pharmacy Lentiviral Laboratory Core Facility.

No alerts have been found for University of Southern California School of Pharmacy Lentiviral Laboratory Core Facility.
