Proper Citation: CSIRO (RRID:SCR_011167)

Description: CSIRO, the Commonwealth Scientific and Industrial Research Organisation, is Australia's national science agency and one of the largest and most diverse research agencies in the world. National Research Flagships: Large-scale, long-term, multidisciplinary science to address Australia's major national challenges and opportunities. Divisions: CSIRO expertise is organised into 14 research areas: * Animal, Food and Health Sciences * Astronomy and Space Science * Earth Science and Resource Engineering * Ecosystem Sciences * Energy Technology * Food & Nutritional Sciences * ICT Centre * Land and Water * Livestock Industries * Marine and Atmospheric Research * Materials Science & Engineering * Mathematics, Informatics and Statistics * Plant Industry * Process Science and Engineering National Facilities: CSIRO manages national facilities and collections that are opened to researchers around Australia and overseas.

Abbreviations: CSIRO

Synonyms: CSIRO - Commonwealth Scientific and Industrial Research Organisation, Commonwealth Scientific and Industrial Research Organisation of Australia, Commonwealth Scientific and Industrial Research Organization, Commonwealth Scientific and Industrial Research Organisation

Resource Type: institution

Resource Name: CSIRO

Resource ID: SCR_011167

Alternate IDs: grid.1016.6, ISNI: 0000 0001 2173 2719, Wikidata: Q1117048, Crossref funder ID: 501100000943, nlx_149457

Alternate URLs: <https://ror.org/03qn8fb07>

Record Creation Time: 20220129T080302+0000

Record Last Update: 20260905T132655+0000

Ratings and Alerts

No rating or validation information has been found for CSIRO.

No alerts have been found for CSIRO.
