Proper Citation: McGill University; Montreal; Canada (RRID:SCR_011388)

Description: Public research university in Montreal, Quebec, Canada. Founded in 1821 by royal charter granted by King George IV, the university bears the name of James McGill, a Scottish merchant whose bequest in 1813 formed the university's precursor, University of McGill College. Name was officially changed to McGill University in 1885.

Synonyms: McGill, McGill University
