Proper Citation: U.S. Department of Agriculture (RRID:SCR_011486)

Description: A United States Federal Executive Department to develop and execute policy on farming, agriculture, and food. It aims to meet the needs of farmers and ranchers, promote agricultural trade and production, work to assure food safety, protect natural resources, foster rural communities and end hunger, in America and abroad. USDA also participates in overseas aid programs, by providing surplus foods to developing countries to support development programs with other organizations. (<http://en.wikipedia.org/wiki/USDA>)

Abbreviations: USDA

Synonyms: United States Department of Agriculture, US Department of Agriculture

Resource Type: institution

Resource Name: U.S. Department of Agriculture

Resource ID: SCR_011486

Alternate IDs: C0085410, grid.417548.b, ISNI: 0000 0004 0478 6311, Wikidata: Q501542, Crossref funder ID: 100000199

Alternate URLs: <https://ror.org/01na82s61>

Record Creation Time: 20220129T080305+0000

Record Last Update: 20260912T195735+0000

Ratings and Alerts

No rating or validation information has been found for U.S. Department of Agriculture.

No alerts have been found for U.S. Department of Agriculture.
