Apache Hadoop

RRID:SCR_011879

Type: Tool

Proper Citation

Apache Hadoop (RRID:SCR_011879)

Resource Information

URL: <http://hadoop.apache.org/>

Proper Citation: Apache Hadoop (RRID:SCR_011879)

Description: Software library providing a framework that allows for the distributed processing of large data sets across clusters of computers using simple programming models. It is designed to scale up from single servers to thousands of machines, each offering local computation and storage. Rather than rely on hardware to deliver high-availability, the library itself is designed to detect and handle failures at the application layer, so delivering a highly-available service on top of a cluster of computers, each of which may be prone to failures. The project includes these modules: * Hadoop Common: The common utilities that support the other Hadoop modules. * Hadoop Distributed File System (HDFS): A distributed file system that provides high-throughput access to application data. * Hadoop YARN: A framework for job scheduling and cluster resource management. * Hadoop MapReduce: A YARN-based system for parallel processing of large data sets.

Abbreviations: Hadoop

Resource Type: software resource, software toolkit

Keywords: computing

Availability: Open unspecified license

Resource Name: Apache Hadoop

Resource ID: SCR_011879

Alternate IDs: OMICS_01210

Record Creation Time: 20220129T080307+0000

Record Last Update: 20260912T200247+0000

Ratings and Alerts

No rating or validation information has been found for Apache Hadoop.

No alerts have been found for Apache Hadoop.
