Type: Tool

Proper Citation

Harvard Tumor Imaging Metrics Core Facility (RRID:SCR_012298)

Resource Information

URL: <https://www.dfhcc.harvard.edu/research/core-facilities/tumor-imaging-metrics>

Proper Citation: Harvard Tumor Imaging Metrics Core Facility (RRID:SCR_012298)

Description: Core provides centralized, standardized, accurate, consistent, and timely longitudinal, multimodality anatomic, volumetric and functional tumor metrics including CT, MR, PET/CT and other nuclear medicine imaging studies to evaluate therapeutic response for patients enrolled in DF/HCC oncologic clinical trials. TIMC supports more than 30 tumor response assessment criteria including but not limited to RECIST 1.1, iRECIST, Lugano, LYRIC, IWCLL and RANO. Results of tumor metric analyses are offered on password-protected secure web-based report.

Abbreviations: Harvard TIMC, TIMC

Synonyms: Harvard University Tumor Imaging Metrics Core

Resource Type: access service resource, core facility, service resource

Availability: Open

Resource Name: Harvard Tumor Imaging Metrics Core Facility

Resource ID: SCR_012298

Alternate IDs: SciEx_11619

Old URLs: <http://www.scienceexchange.com/facilities/tumor-imaging-metrics-core>

Record Creation Time: 20220129T080309+0000

Record Last Update: 20260905T133353+0000

Ratings and Alerts

No rating or validation information has been found for Harvard Tumor Imaging Metrics Core Facility.

No alerts have been found for Harvard Tumor Imaging Metrics Core Facility.
