Proper Citation: Ensembl Protists (RRID:SCR_013154)

Description: The Ensembl Genomes project produces genome databases for important species from across the taxonomic range, using the Ensembl software system. Five sites are now available, one of which is Ensembl Protists, which houses protists species.

Sponsors: EnsemblProtists is a project run by EMBL - EBI to maintain annotation on selected genomes, based on the software developed in the Ensembl project developed jointly by the EBI and the Wellcome Trust Sanger Institute.

Synonyms: EnsemblProtists

Resource Type: data or information resource, database

Keywords: database, genome, protist, software, specie, taxonomic

Resource Name: Ensembl Protists

Resource ID: SCR_013154

Alternate IDs: r3d100011200, nif-0000-33712

Record Creation Time: 20220129T080314+0000

Record Last Update: 20260905T133204+0000
