Culture Collection of Fungi

RRID:SCR_013775

Type: Tool

Proper Citation

Culture Collection of Fungi (RRID:SCR_013775)

Resource Information

URL: <https://www.natur.cuni.cz/biology/botany/structure/culture-collection-of-fungi-ccf>

Proper Citation: Culture Collection of Fungi (RRID:SCR_013775)

Description: An institution which serves as a deposit of saprotrophic ascomycete and zygomycete strains. 3400 isolates are contained, 2400 of which are available to the public. The collection also provides atlases of each. While some strains are provided for free, other services, such as providing strains for teaching or research or identifying cultures, are provided for a charge.

Abbreviations: CCF

Resource Type: biomaterial supply resource, material resource

Keywords: institution, fungi, saprotrophic ascomycete, zygomycete

Availability: Public, Free, Pay for resource

Resource Name: Culture Collection of Fungi

Resource ID: SCR_013775

Alternate URLs: <http://grbio.org/institution/culture-collection-fungi>

Record Creation Time: 20220129T080318+0000

Record Last Update: 20260912T200249+0000
