Neurofly

RRID:SCR_013833

Type: Tool

Proper Citation

Neurofly (RRID:SCR_013833)

Resource Information

URL: <http://www.neurofly.de>

Proper Citation: Neurofly (RRID:SCR_013833)

Description: An on-going atlas project of the Virtual Insect Brain Project with the goal of reconstructing and standardizing Gal4 expression patterns in Drosophila brains. Neurofly will be a web-based tool that will enable the online comparison of mutations and Gal4 expression patterns in the Drosophila brain. To this end, a database of reconstructed and standardized Gal4 expression patterns - on the basis of the existing Drosophila StandardBrain - was developed along with tools for 3D image data set processing. Users will be able to evaluate the expression patterns intersections of various Gal4 driver lines and/or mutations.

Synonyms: Virtual Insect Brain Lab

Resource Type: atlas, data or information resource

Keywords: atlas, database, Drosophila, Gal4, tool, Virtual Insect Brain Project

Availability: Free, Public

Resource Name: Neurofly

Resource ID: SCR_013833

Record Creation Time: 20220129T080318+0000

Record Last Update: 20260905T133209+0000

Ratings and Alerts

No rating or validation information has been found for Neurofly.

No alerts have been found for Neurofly.
