Type: Tool

Proper Citation

JournalReviewer (RRID:SCR_014014)

Resource Information

URL: <http://www.journalreviewer.org>

Proper Citation: JournalReviewer (RRID:SCR_014014)

Description: A database which allows researchers to view and comment on the logistics of scientific journals' review processes. JournalReviewer collects and aggregates feedback from users who have submitted manuscripts to journals in order to provide information for others considering journal submissions. Statistics such as turnaround rate, review length and quality, journal recommendations, and desk reject plausibilities are compiled from commentors' ratings.

Resource Type: collaboration tool, data or information resource, database, software resource

Keywords: database, review, journal review, review logistics, collaboration tool

Availability: Free, Public, The community can contribute to this resource

Resource Name: JournalReviewer
