Proper Citation: NeuroElf (RRID:SCR_014147)

Description: A Matlab-based toolbox initially created for reading, writing, and processing of BrainVoyager (QX) files in Matlab.

Resource Type: data processing software, software application, software resource, software toolkit, workflow software

Keywords: matlab, software toolbox, brainvoyager

Availability: Freely available

Resource Name: NeuroElf

Resource ID: SCR_014147
