hFigures

RRID:SCR_014201

Type: Tool

Proper Citation

hFigures (RRID:SCR_014201)

Resource Information

URL: <https://github.com/ledancs/hFigures>

Proper Citation: hFigures (RRID:SCR_014201)

Description: A Javascript library that aims to deliver a starting point for interactive health data visualization. Examples and demos are available on the site. hFigures was built with d3.js and a copy of the library is included in this repository. All rights and license terms apply to the d3.js library accordingly.

Resource Type: data processing software, data visualization software, network graph visualization software, software application, software resource

Defining Citation: [PMID:26738061](#)

Keywords: health data, visualization, electronic health record, personal health record, health informatics

Funding: European Union ;
TEKES ;
BMC Medical Informatics and Decision Making Health Figures Software Article

Availability: Available for download

Resource Name: hFigures

Resource ID: SCR_014201

License: MIT

Record Creation Time: 20220129T080319+0000

Record Last Update: 20260912T195813+0000

Ratings and Alerts

No rating or validation information has been found for hFigures.

No alerts have been found for hFigures.
