Proper Citation: Macrogen (RRID:SCR_014454)

Description: A company that provides a variety of next generation sequencing services. The company provides researchers with whole genome resequencing, exome sequencing, targeted sequencing, transcriptomics, and epigenome sequencing.

Synonyms: Macrogen Inc.

Resource Type: analysis service resource, biomaterial analysis service, material analysis service, production service resource, service resource

Keywords: sequencing assay, sequencing analysis software, next generation sequencing

Availability: Commercial entity

Resource Name: Macrogen

Resource ID: SCR_014454

Record Creation Time: 20220129T080320+0000

Record Last Update: 20260905T132747+0000
