Proper Citation: Minitab (RRID:SCR_014483)

Description: A statistical software package that allows the user to import data, create graphs, and perform statistical analysis. It can perform basic statistical tests like descriptive statistics, hypothesis tests, confidence intervals, and normality tests as well as regression and ANOVA and quality assessment.

Resource Type: data analysis software, data processing software, software application, software resource

Keywords: data analysis, statistical analysis, hypothesis, confidence, descriptive

Resource Name: Minitab

Resource ID: SCR_014483

Record Creation Time: 20220129T080320+0000

Record Last Update: 20260905T132747+0000
