NIH Metabolomics program

RRID:SCR_014634

Type: Tool

Proper Citation

NIH Metabolomics program (RRID:SCR_014634)

Resource Information

URL: <https://commonfund.nih.gov/metabolomics/index>

Proper Citation: NIH Metabolomics program (RRID:SCR_014634)

Description: A US national program which supports the development of technologies in order to enhance the metabolomics field. It specifically increases the national metabolomics research capacity by supporting five core programs: Training in Metabolomics, Metabolomics Technology Development, Metabolomics Reference Standard Synthesis, Metabolomics Data Sharing and International Collaboration, and Comprehensive Metabolomics Resource Cores.

Synonyms: National Institutes of Health (NIH) Common Fund Metabolomics, NIH Common Fund Metabolomics program

Resource Type: data or information resource, funding resource, portal

Keywords: metabolomics, national program, training, technology, data sharing, collaboration, standard, resource core, portal, funding resource

Availability: Available to the scientific community

Resource Name: NIH Metabolomics program

Resource ID: SCR_014634

Record Creation Time: 20220129T080321+0000

Record Last Update: 20260905T133049+0000

Ratings and Alerts

No rating or validation information has been found for NIH Metabolomics program.

No alerts have been found for NIH Metabolomics program.
