Type: Tool

Proper Citation

University of Iowa Center for Gene Therapy Comparative Pathology Core
(RRID:SCR_015411)

Resource Information

URL: <https://medicine.uiowa.edu/genetherapy/research-cores/comparative-pathology-core>

Proper Citation: University of Iowa Center for Gene Therapy Comparative Pathology Core (RRID:SCR_015411)

Description: Core facility which provides comprehensive necropsy, histology, and pathology services for animal models in order to facilitate translational research in animal models of cystic fibrosis. It also houses instrumentation which allows for high-throughput optimization of immunostaining protocols and has access to morphologic equipment that allow for the scanning of large tissue areas and morphometric quantification of histologic endpoints.

Resource Type: access service resource, core facility, resource, service resource

Keywords: cystic fibrosis animal model, translational cystic fibrosis research

Related Condition: Cystic Fibrosis

Funding: NIDDK P30DK054759

Availability: Available to the research community

Resource Name: University of Iowa Center for Gene Therapy Comparative Pathology Core

Resource ID: SCR_015411

Record Creation Time: 20220129T080325+0000

Record Last Update: 20260905T133406+0000
