QuantPrime

RRID:SCR_015498

Type: Tool

Proper Citation

QuantPrime (RRID:SCR_015498)

Resource Information

URL: <http://quantprime.mpimp-golm.mpg.de>

Proper Citation: QuantPrime (RRID:SCR_015498)

Description: Fully automated tool for primer pair design in small- to large-scale real-time reverse transcription qPCR analyses. It offers design and specificity checking with highly customizable parameters and is available for use with publicly available eukaryotic transcriptomes.

Resource Type: software resource, web application

Defining Citation: [DOI:10.1186/1471-2105-9-465](https://doi.org/10.1186/1471-2105-9-465)

Keywords: primer design, primer pair design, rt-qpcr, reverse transcription qpcr

Availability: Acknowledgement requested, Available as a web application, Available as a desktop application

Resource Name: QuantPrime

Resource ID: SCR_015498

Record Creation Time: 20220129T080326+0000

Record Last Update: 20260905T133021+0000

Ratings and Alerts

No rating or validation information has been found for QuantPrime.

No alerts have been found for QuantPrime.

Data and Source Information

Usage and Citation Metrics

We found 162 mentions in open access literature.

Listed below are recent publications. The full list is available at [PRECISE-TBI](#) .
