

Resource Summary Report

Generated by [PRECISE-TBI](#) on Sep 8, 2026

R package: nlme

RRID:SCR_015655

Type: Tool

Proper Citation

R package: nlme (RRID:SCR_015655)

Resource Information

URL: <http://CRAN.R-project.org/package=nlme>

Proper Citation: R package: nlme (RRID:SCR_015655)

Description: Software to fit and compare Gaussian linear and nonlinear mixed-effects models.

Resource Type: software resource, source code

Keywords: gaussian, mixed-effects model, r, r package

Availability: Free, Available for download

Resource Name: R package: nlme

Resource ID: SCR_015655

Alternate URLs: <https://cran.r-project.org/package=nlme>

License: GPL-3

Record Creation Time: 20220129T080326+0000

Record Last Update: 20260905T133408+0000

Ratings and Alerts

No rating or validation information has been found for R package: nlme.

No alerts have been found for R package: nlme.

Data and Source Information

Usage and Citation Metrics

We found 62 mentions in open access literature.

Listed below are recent publications. The full list is available at [PRECISE-TBI](#) .

Huie JM, et al. (2026) Limb kinematics and morphology improve salamander climbing performance. *The Journal of experimental biology*, 229(11).

Audrain S, et al. (2026) The Development of Hippocampal-Cortical Functional Connectivity in Infants and Toddlers. *Human brain mapping*, 47(4), e70475.

Juli??o Jimenez P, et al. (2026) Divergent respiratory modes drive differences in heat tolerance and habitat use among tropical intertidal crabs. *The Journal of experimental biology*, 229(8).

Rashidi A, et al. (2026) Cohesive modules of engraftment in fecal microbiota transplantation. *iScience*, 29(6), 116025.

Wang H, et al. (2025) Sex-specific phosphoproteome responses to calorie restriction and insulin in skeletal muscle from older rats. *The journals of gerontology. Series A, Biological sciences and medical sciences*, 80(12).
