ICN_Atlas

RRID:SCR_015890

Type: Tool

Proper Citation

ICN_Atlas (RRID:SCR_015890)

Resource Information

URL: http://www.nitrc.org/projects/icn_atlas/

Proper Citation: ICN_Atlas (RRID:SCR_015890)

Description: Software toolbox for SPM that is aimed at facilitating the interpretation of fMRI data in the context of intrinsic connectivity networks (ICNs) by describing fMRI maps in function-oriented, objective and quantitative way using a set of 15 metrics conceived to quantify the degree of 'engagement' of ICNs for any given statistical map of interest. Besides the functionally-derived atlasing capabilities (based on the BrainMap ICN data) the toolbox provides anatomy-based atlasing (based on the JHU and Brainnetome Atlas data), as well.

Resource Type: software resource, software toolkit

Keywords: fmri, icn, intrinsic, connectivity, network, map, statistic, atlas, toolbox, activation, pattern

Funding: Action Medical Research SP4646;
Hungarian Academy of Sciences ;
Hungarian National Brain Research Program KTIA_NAP_13-1-2013-0001;
