Proper Citation: Marmoset Brain Connectivity Atlas (RRID:SCR_015964)

Description: Brain connectivity atlas to create systematic, digital repository for data on connections between different cortical areas, in primate species. Data repository for connections between different cortical areas in marmoset monkeys. Allows access to data set and enables other interpretations of data, in light of future evolution of knowledge about marmoset cortex.

Synonyms: Marmoset Monkey Cerebral Cortex Connectivity Atlas

Resource Type: atlas, data or information resource, data repository, database, service resource, storage service resource

Defining Citation: [DOI:10.1038/s41467-020-14858-0](https://doi.org/10.1038/s41467-020-14858-0), [PMID:27099164](https://pubmed.ncbi.nlm.nih.gov/27099164/)

Keywords: cortex, marmoset, monkey, cerebral, brain, architecture, primate
