International Human Epigenome Consortium

RRID:SCR_016937

Type: Tool

Proper Citation

International Human Epigenome Consortium (RRID:SCR_016937)

Resource Information

URL: <http://ihec-epigenomes.org/>

Proper Citation: International Human Epigenome Consortium (RRID:SCR_016937)

Description: Consortium to coordinate epigenome mapping and characterization worldwide to avoid redundant research effort, to implement high data quality standards, to coordinate data storage, management and analysis and to provide free access to the high resolution reference human epigenome maps for normal and disease cell types to the research community. Promotes data sharing. You may view, search and download the data already released by the different IHEC associated projects via the IHEC Data Portal.

Abbreviations: IHEC

Synonyms: International Human Epigenome Consortium, IHEC

Resource Type: consortium, data or information resource, organization portal, portal

Keywords: reference, human, epigenome, map, normal, disease, cell, data, quality, standard, sharing

Availability: Free access to the research community, Open and controlled access to datasets according to policies and guidelines

Resource Name: International Human Epigenome Consortium

Resource ID: SCR_016937

Alternate URLs: <https://epigenomesportal.ca/ihec/>

Record Creation Time: 20220129T080332+0000

Record Last Update: 20260905T132815+0000

Ratings and Alerts

No rating or validation information has been found for International Human Epigenome Consortium.

No alerts have been found for International Human Epigenome Consortium.
