Resource Information

URL: <https://github.com/KhiabanianLab/TuBA>

Proper Citation: Tunable Biclustering Algorithm (RRID:SCR_017121)

Description: Software tool as graph based unsupervised biclustering algorithm to identify alterations in tumors based on hypothesis that gene pairs relevant to clinical process share statistically significant number of samples with extreme expression.

Abbreviations: TuBA

Resource Type: data analysis software, data processing software, software application, software resource

Keywords: graph, unsupervised, algorithm, identify, alteration, tumor, gene, pair, significant, expression

Availability: Free, Available for download, Freely available

Resource Name: Tunable Biclustering Algorithm

Resource ID: SCR_017121

Record Creation Time: 20220129T080333+0000

Record Last Update: 20260905T132819+0000
