Kansas University at Lawrence Protein Production Group Core Facility
(RRID:SCR_017749)

Resource Information

URL: <http://psf.cobre.ku.edu/cores/ppg/about>

Proper Citation: Kansas University at Lawrence Protein Production Group Core Facility
(RRID:SCR_017749)

Description: Core focuses on cloning, expression and purification of prokaryotic and eukaryotic proteins for COBRE and other investigators in Kansas and region. Laboratory maintains equipment to support production of properly folded proteins in quantities suitable for structural studies (X-ray and NMR), functional studies (catalytic or biological), label-free binding studies (SPR) and/or high throughput (HTP) screening studies.

Abbreviations: PPG

Synonyms: KU COBRE Protein Production Group

Resource Type: access service resource, core facility, service resource

Keywords: Protein, production, purification, expression, cloning, service, core

Funding: NCRR P20 RR017708;
NIGMS P20 GM103420;
NIGMS P30 GM110761

Availability: Open

Resource Name: Kansas University at Lawrence Protein Production Group Core Facility

Resource ID: SCR_017749

Alternate IDs: ABRF_249

Record Creation Time: 20220129T080336+0000

Record Last Update: 20260728T043534+0000

Ratings and Alerts

No rating or validation information has been found for Kansas University at Lawrence Protein Production Group Core Facility.

No alerts have been found for Kansas University at Lawrence Protein Production Group Core Facility.
